'Who am I?' TASK

Heinemann publishers have asked a number of young people throughout the world to write all about themselves and their lives. This information is going to be put together in a book that aims to reflect the different life experiences of 11/12

year olds around the world and will hopefully help to create a greater understanding between people.

YOU have been chosen to contribute to the book:

- You have two A4 sheets to work on
- You must include text and illustrations.
- The main heading is 'Who am I?'.
• You must use the following sub-headings to write about you and your life:

Education

Housing

Family

Friends

Leisure

Food

Clothes

Music

Beliefs

Town

- If there are other sub-headings you want to include that is fine.

REMEMBER - your aim is to communicate about you and your life to others throughout the world so they are able to understand what life is like for you.

Who am I?

Present your work below:
