COMPLETING THE ORDER FORM OVERLEAF

You will find that all our sportswear clothing is designed for the best fit and is generously made for sporting activities. When measuring, it is not normally necessary to make allowances for growth. If your child measures 28 inches, then that is the size we recommend that you buy. If your child is between sizes, then we recommend that you buy the next size up. If your child is taller than average, it is advisable to order the next size up on tops or trousers. The order form indicates items which the School have specified as 'COMPULSORY' for Uniform/ PE kit. After measuring your child, place the quantity you require in the box below the selected size of each item, follow the line along and complete the 'Total £' box. If ordering more than one, complete the 'Quantity' box and then the 'Total £' box.
