Dear PCS Families

FAO Y8 Students - PSHE Performance - Message from Miss L'etang

"To all year 8s who attended the PSHE performance in the main hall on Friday 14th March, you were a credit to the school today and I was so impressed with your behaviour and engagement! The performers even commented on how great they thought you all were and they said it was one of the best audiences they have had. Thank you for representing our school so brilliantly. From Miss L'etang."

FAO KS3 Parents/Carers RE: Learning Beyond The Curriculum Week 7 - 11 July 2025 - Message from Ms Turner, Assistant Headteacher

We are continuing with our organisation of our **Learning Beyond The Curriculum Week** in July and will be in a position next week to offer up more of the paying activities that students initially booked for and then withdrew from, so spaces have arisen. Once we have filled these spaces we will be starting to share with students their programmes for each day. In terms of the school's Surf Lifesaving programme, we are still awaiting a few more responses in order to secure the activity at the advertised price. Thank you for your patience.

FAO Y10 Parents/Carers - Message from the PCS Careers Team

On **Friday 14 March** every Year 10 student was offered the opportunity to participate in a very successful revision skills workshop. We have two more workshops coming up which will be delivered by the University of Brighton on **Wednesday 23 April** and **Thursday 13 May**.

Continuing with our information, support and guidance in preparation for their next steps after PCS, we are asking all Year 10 parents and carers to **SAVE THE DATE** for our **'PCS What Next?'** event which will be held on **Tuesday 29 April** in the early evening. More details will be shared closer to the event, but it will be an excellent opportunity for parents, carers and Year 10 students to find out more about the different pathways on offer to students once they leave PCS, as well as hear from some of the different colleges and Post 16 providers.
