

25 September 2023

Dear Parent/Carer

We are really pleased to report that students in year 11 have had an excellent start to the academic year and we are having lots of focussed discussion and conversations in our PSHE lessons around what happens next after PCS.

Life after PCS? What Next?

We would like to invite you and your child to our very informative **Post 16 Choices** evening on **Tuesday 3 October**. Please see the flyer attached. We will have representation from the majority of our Post 16 providers - Seaford Head 6th Form College, BHASVIC, Varndean College, MET, DV8, Roedean, Brighton College, East Sussex College, Plumpton College, Lagoon Watersports, Ask Apprenticeships, CITB, BN1 Arts, The Army, University of Brighton, University of Sussex, BACA and may more, as well as Corinne Holden who is our independent Careers Advisor.

During the evening you will have an opportunity to speak to the different Post 16 providers and you and your child will be able to ask questions about appropriate courses that may be of interest to them.

You will also get a chance to find out about when and where the different college Open Days and Open Evenings are, so that you can put dates into your diaries.

We feel that it is really important that we give all of our students as much information as possible to help support their choices, so we are hoping that every one of our students will attend along with a parent or carer. As always, your support in ensuring that informed choices are made will help to determine any future success, whichever pathway your child wishes to pursue.

We anticipate the evening will be busy so we are asking that those students with surnames **A-L** arrive between **4pm and 5pm** and those with surnames **M-Z** arrive between **5pm and 6pm**. Of course, if you have other commitments and can not make your allocated slot, please feel free to attend at the time which is more convenient to you.

We are looking forward to welcoming you all.

Kind regards
The PCS Careers Team
