Dear PCS Families

I am very pleased to inform you that we have now had our official report from Ofsted and I have attached it for you to read.

I am exceptionally proud of our school. The inspection team recognised the great work and dedication of the whole school community that carefully considers the education of the 'whole child'. I wanted to pass on my thanks again, to the students and staff who make this school such a joy to lead.

Kindest regards

Ms Rachel Henocq  
Headteacher
