Dear PCS Families

Try a Bike Day - Mobility and Inclusive Cycling at The Big Park (for any parents and carers in the community)

After the success of previous Try a Bike days, in the Big Park, SCDA are putting on another day on Wednesday 30 April between 12pm and 3pm. There will be a range of adapted bikes and electric bikes available for anyone to come and try in The Big Park, Peacehaven. There will be new bikes to try this time, including a very cool Electric Mountain Trike and some lovely step-through e-bikes that are a dream to ride.

SCDA especially welcomes anyone who identifies as having a disability to try out cycling in this safe, traffic free space. Staff will be on hand to assist and talk you through the various bikes and how to use them.

This is an inclusive event and anyone is welcome to attend. Please get in touch if you have any access requirements or if there is anything we can do to support you in attending this session.

To book a space, it is FREE but please register your attendance by directly emailing jamie.lloyd@sussexcommunity.org.uk

For any enquiries please contact Jamie.lloyd@sussexcommunity.org.uk

Exact location is here: <https://maps.app.goo.gl/tR22rmdCJBCmV7jc6>

Summer Reading Challenge Volunteers - Message from ESCC

Please see the attached posters promoting a volunteering opportunity for students at our local library over the summer holidays.

It is a great opportunity for students to gain customer service skills as they experience working in an interesting, lively environment, interacting with the general public – both children and adults.

ESCC received very positive feedback from students that volunteered last year – including an increase in confidence and a renewed love of books and reading!

The minimum age for the role is 13 years.

PE, Warm Weather - Message from Mr Dumbrell, Teacher of PE/SSCo

With the increase in temperature, we would like to remind parents/carers that students will continue to participate in practical PE lessons. To ensure their comfort and safety, students may bring water bottles with them to drink during lessons. Students are also welcome to wear a suitable cap to protect themselves from the sun.
