Dear Parents/Carers

At PCS we thrive in ensuring that all our students are happy and safe. We are addressing safeguarding concerns in and outside of school efficiently and proactively. In the past few months, we have seen an increase in incidents that are happening outside of school, and especially due to students not using WhatsApp appropriately. In order to help us tackle online bullying and to promote online safety, please find the advice sheet attached on how to use and monitor WhatsApp.

Yours sincerely

M Verniol
