FAO All Parents/Carers - Scaffolding for works in the car park behind the Leisure Centre

There will be roof works carried out in the New Year over the teaching block at the back of the school. To minimise the disruption with scaffolding, the car park behind the Leisure Centre will be used and this will take up 4 car parking spaces. This will be all fenced off and alarmed for security, health, and safety. The time frame for these works should be **4 weeks starting in January**.

Ofsted Guidance for Parents

Ofsted have produced some guidance for parents to understand the new grading.

The GOV.UK page is [here](#) and it includes a 3-minute, helpful video titled *New Ofsted report cards and grades: a guide for parents*.

Reminder to Parents/Carers - School Parking

A polite reminder to parents/carers to please:

- park safely outside the school and not to wait in the disabled parking bays
- park in the old Co-Op car parks (as you are permitted to do so)
- **not** drop children off in Jason Close as this blocks the road for local residents
- **not** use the service yard, which is clearly marked as authorised access only for the Meridian Centre (Morrisons), the Town Council, Butterfly Nursery and EMCOR

We have attached an image to highlight the areas where parking is available, and where it is not.

Thank you for your support.

FAO Year 11 Parents/Carers - Year 11 leavers' hoodies shop is now open!

Please use this link to order your hoody: <https://www.pcs.leavers-shop.co.uk/>

First deadline for bulk order: Monday 1 December for a pre-Christmas break delivery to school (Orders can be placed after this date, however the delivery will not be until we have another significant amount of orders, which means delivery to school will be a later date of February 2026).

Once hoodies have been received by students, they are permitted to wear them as part of the daily uniform. Students do not have to wear a shirt under their hoody, but must wear their PE/Dance top.

Changes to Child fares from 1st January 2026 - Message from Brighton & Hove Buses

From 1st January 2026, child fares will be available up until 31 August following a young person's 18th birthday. This means child fares will continue to support those in further education and through the summer holidays.

To pay a child fare, young people aged 14–18 may need to prove their age if they aren't in school uniform. To avoid the risk of being charged an adult fare, we recommend getting verified in advance.

Verification is quick and easy:

- Use the in-app child verification, or
- Get a Child BusID card, available from our travel shop on North Street, Brighton, or from the depot at 43 Conway Street, Hove.

Accepted ID for children aged 14-18 when buying child tickets on the bus:

- Inapp child verification
- Child Key BusID
- UK passport
- UK driving licence
- Sussex 3iD card

For further information please contact us by phone on 01273 886200 or by email at info@buses.co.uk

Free School Meals - Check if You're Eligible - Message from East Sussex County Council

Please [follow this link](#) to check whether your child may be eligible for free school meals.

Considering the ongoing pressures associated with the rising cost of living, access to free school meals can provide valuable financial relief for families. It is important to note that even if a child does not take up the meal, a successful application still enables your school to receive additional funding through the pupil premium.

PCS Ten for Success

At PCS, we continue to remind students that in order to be successful, they need to be ready to learn. This includes having all of the correct equipment for the school day.

Whilst the majority of our students have come back to school in the New Year fully prepared, we have seen an increase in the number of students arriving at school without even the basics of a pen and pencil.

Please could we remind all parents, carers and students that the expectation is that all students come to school with their **Ten for Success**.

- 1 x pencil case
- 1 x purple pen
- 1 x black pen
- 1 x pencil
- 1 x pencil sharpener
- 1 x ruler
- 1 x rubber
- 1 x glue stick
- A reading book
- Planner (KS3 only)

As a reminder, all of these items can be readily and cheaply purchased from any stationery shop or online, however to make things easier we are offering a 'PCS bundle' for £2.50 which includes all of the stationery.

If your child does not have a reading book, we have a well stocked library, should your child require one. This is open everyday.

All students will need a reading book for DEAR time.

Many thanks for your support in ensuring that your child has everything they require on a daily basis to be the successful student that we all want them to be.

Dear Parent/Carer

RE: Learning Beyond The Curriculum week Monday 6 - Thursday 9 July 2026

We are very excited to be able to announce that after such positive feedback again last year, we are going to be holding our **THIRD PCS Learning Beyond the Curriculum week** for all of our KS3 students in July 2026.

Once again, the theme of the week is **wellbeing**. This will be a 4 day event this year due to Friday 10 July being an Inset Day. Over the course of the four days, students will have the opportunity to take part in activities that will support them to practise the five ways of wellbeing - Be active, Connect, Give, Take Notice, Learn Something New - as well as to enhance their personal development by learning outside of the classroom.

All KS3 students had an assembly last week to give them all of the information they need about the week. Hopefully they have already started to talk with you about the amazing array of activities on offer, the majority of which there is no cost for.

Attached is a digital copy of the information booklet to share with you. The FAQs on the back page should answer any questions you may have, but if you need clarity on anything, please contact pcs-enquiries@swale.at who will forward your email to the appropriate person.

Once your child has decided upon which activities they would like to sign up to, they need to complete the sign up, [Google Form](#) which can be found in this link. The link will also be available on their year group PDI Google Classroom. All instructions are on the form.

This week is compulsory for all students and we encourage them to think carefully about selecting a balance of activities to gain the most from the week. Please note, for any students signing up to Beach Volleyball they can only sign up once. We have given students a deadline of **Friday 19 December** to submit their choices. This is the last day of term.

Please note, we will not request payment from you for any activity until places have been confirmed. For some of the more expensive activities we can set up payment plans to spread the cost.

All payment plans will go onto ParentPay once the choices have been finalised and places confirmed.

Kind regards

J Turner

Dear Parents/Carers

RE: Year 10 Work Experience – Monday 6-Friday 10 July 2026

During the week beginning **Monday 6 July 2026**, all Year 10 students will complete a week's work experience. This is a placement with an employer in which a young person carries out a range of tasks in much the same way as an employee, with the emphasis on learning from the experience. Work experience provides opportunities for learning about the skills, behaviours, careers, roles and structures that exist within a workplace.

Work experience is seen as an important part of the curriculum and supports young people to make career decisions, develop work related skills and support successful transition into further and higher education, apprenticeships and the workplace.

We encourage students to find their own placements, as this helps to develop their resourcefulness, self-confidence and initiative, as well as helping to secure the placement of their choice. This is especially important within the current labour market. Their placement could be with parents/carers or other relatives, family/friend connections, or simply by approaching an employer in a sector that they are interested in directly.

All own placement employers **MUST** have Employers Liability Insurance. The placement cannot be considered without it. Please check that the employers have this before submitting your own placement request.

The deadline for submitting an own placement is Friday 23 January 2026.

The reason that we need all placement requests submitted by this date is to give us time to ensure that a member of the East Sussex County Council work experience team is able to make visits to every placement provider, to undertake a pre-placement visit. This will check the health and safety management arrangements of the business to ensure the safety and wellbeing of our students.

Careful consideration must be given to what sort of activities may be possible in a placement and whether it would be enjoyable and rewarding. For example, many might like to gain experience of working in a solicitor's office but, due to client confidentiality, some of the tasks that the student is allowed to do can sometimes be quite limited.

Once students have found their placements and these have been agreed with the placement provider, please can details be sent to emma.lane@swale.at or handed to a member of the PCS Library team.

Please note that if your child is successful in being allocated their placement choice on completion of the health and safety check, it will not be possible to change their placement at a later date if they 'change their mind'.

You will also be required to complete a 'Medical and Contact' details form (this will be sent out nearer the time). There is a duty to ensure employers know in advance about students who might be at greater risk, for example due to health conditions or specific learning needs, so they can take these properly into account. It is essential that any medical or other significant information that may affect your child's health and safety is provided. Permission will always be sought before such information is shared, but please note that a placement cannot go ahead if permission is not received.

For those students who are struggling to arrange their own placement, we have ensured that support is available through our dedicated online portal.

We have issued all year 10 students with a username and password so that they can access the official work experience website: <https://www.careerseastsussex.co.uk>

Within this website, students will find a comprehensive list of all placement opportunities we currently have available within East Sussex.

Next Steps for Students:

1. Log in to the website using the username and password provided.
2. Review the opportunities and select the placement that is of interest.
3. Submit the placement request to me (via the website mechanism or email, as instructed) in order for me to try and confirm the arrangement with the employer.

It is essential that students submit their choices promptly so we can confirm their placement well in advance of the start date. If they have misplaced their login details, please ask them to come to the library at break or lunch for a replacement.

If you have any queries about the work experience process, please feel free to contact me via email at emma.lane@swale.at or via telephone on 01273 581100.

Yours sincerely

Ms Emma Lane
Work Experience Coordinator & Library Supervisor

Dear Parent/Carer

RE: VOTE FOR PCS - Help Us Ignite a Passion for Sport in Our Community!

Peacehaven Community School has been shortlisted for a fantastic funding opportunity through the **Tesco Groundworks Community Scheme!** We need your help to raise money for vital new sports equipment which will allow us to run engaging community events that will benefit hundreds of pupils across our local area.

What is our project?

Our project aims to bridge the gap between secondary, primary, and nursery education through physical activity. The funds raised will allow us to:

1. **Purchase Essential Equipment:** Update and expand our sports resources, providing pupils with the best equipment for both PE lessons and extracurricular activities. Allowing us to run, Basketball, Rounders and Sports day events/tournaments.
2. **Run Community Events:** Facilitate engaging and collaborative events, sports sessions and sports days. Our Sports Leadership pupils will gain invaluable leadership experiences whilst mentoring and guiding younger pupils from our local community.

How you can help!

Every single vote helps us secure this vital funding! Without your help, our pupils will not be able to make the most of this unique opportunity.

The process, is simple:

- **Visit a local Tesco Store:** The next time you visit one of the local tesco stores (listed below), ask for a **blue token** at the checkout.
- **Vote:** Cast your vote by placing your token in the voting unit. Choose the Peacehaven Community School project.

Voting for our project will be available from mid-January until the end of March 2026. Please encourage friends, family, and all members of our community to get involved and vote too!

What Next?

Each student will have a Google form in their PDI Google Classroom. Every student in years 7, 8 and 9 must fill this in.

Everybody will take part in activities this week.

Students who are going on a residential to Bude or Italy will have to indicate this on the form.

All other students are to complete the form following the instructions.

Whilst we will endeavour to provide students with their chosen activities, it is important that they indicate reserve choices in the event of activities being booked up.

Learn Something New!

Frequently Asked Questions

How many activities can I choose?

You need to be doing an activity every day. When you tick your choices on the Google Form make sure that you have looked at which day it is taking place. There is then the opportunity to try to do similar things with different friends. We can not promise, but we will try to make this happen.

Some activities take place across more than one day, please take care to read the booklet properly so that you can map out your week.

What if there are not enough spaces for what I would like to do?

We will try to make sure everybody can take part in the activities they have chosen. We have indicated how many spaces there are for each activity this year. We do ask that you put 3 reserve choices down in case some activities prove to be very popular.

I would like some financial support with paying for an activity, how do I know if I am eligible and how do I request a reduction?

Please ask your parent/carer to contact the school by email:

pcs-enquiries@swale.at

who will be able to refer you to the appropriate person for advice.

What are the timings of the day?

All of the activities take place during the school day. Exact timings will be shared with you once you have confirmation of your activities.

What will I need to wear?

For all onsite activities, students will be asked to come in in their PE kit.

For all other activities, suggestions will be made once you have confirmation of your activities. (You will not be expected to wear your school uniform!)

What will happen about lunch?

You will have a lunch break as normal if you take part in activities in school.

For those activities off site, we will advise on a packed lunch. For those students in receipt of Free School Meals who are off site, we will provide a packed lunch if required.

Will I need any extra money?

That is your own decision, if you have chosen an activity in Brighton, with bus travel, you will need to pay for travel. If you are in school, you will not need any extra money.

If you have paid for coach travel to an activity, you might wish to bring some money for souvenirs.

When is the deadline to make choices?

The deadline to make choices is **Friday 19th December**

When will I find out if I have been accepted on to an activity that needs payment if I don't yet know?

Once we have received all of the choices we will then set up parent pay accordingly. You will receive an email letting you know if and when parent pay has been set up for you.

When will I find out what I will be doing if I am doing my activities in school?

All choices and a full programme of events will be shared with students in term 4.

What will be the end product of our Learning beyond The Classroom Week?

We shall be creating a showcase of experiences to share with our local community.
