Dear PCS Families

What another amazing term filled with opportunities that our students have fully embraced. Please make sure you look at our latest news on our website and our social media to really get a feel for all that your children are involved in. They are a credit to you.

A couple of staffing updates:

Mr Hughes is leaving us to start a new job in a school closer to his young family. We wish him well in his new role.

Mr Verniol will be taking on the leadership of Teaching and Learning.

Mrs Willis is joining the SLT team as our Designated Safeguarding Lead.

While we appoint a new permanent Head of Y10, Mrs Powell will be increasing her time to cover this.

We all hope you have peaceful holidays.

Kindest regards

Ms Rachel Henocq
