

7 November 2025

Dear PCS Families

**Welcome Back - Message from Ms Henocq, Headteacher**

A huge welcome back to all our students following a well deserved two week break. The students have had a great start to this term with such positive attitudes to their learning and displaying kindness and respect to each other. I have been so proud of them.

Our Year 11s are focused on their mock exams and although we know this can be a difficult time, we are all here to support them through it and it will give them an excellent indication of where they are now and what we need to do to get them to where they want to be.

The whole school completed the lockdown drill exceptionally well. After signalling the lockdown the school was secure in under a minute. On walking round I could not hear or see anyone so please do talk to them about this and reiterate how impressed I have been with them. We only have a duty to complete one lockdown drill a year, whereas fire drills are carried out termly and we will update you if this changes.

**Reminder to Parents/Carers - School Parking**

A polite reminder to parents/carers to please park safely outside the school and not to wait in the disabled parking bays.

**PCS Website - Parent Guides**

We have a new section to our website called '[Parent Guides](#)' (under 'Information') which provides useful links to information regarding Edulink (our parent portal), Google Classroom and ParentPay.

If these guides do not answer your questions, please contact us via email at [pcs-enquiries@swale.at](mailto:pcs-enquiries@swale.at)

**Lost Property**

We encourage students to check at our Student Support Desk if they have lost any personal items.

**Winter Music Concert 2025!**

Please see the attached poster for our upcoming Winter Music Concert taking place on Wednesday 26 November!

Tickets are available to purchase on ParentPay now for adults and under 16s. Please complete this [Google Form](#) if you would like to reserve free PCS student tickets.

**Free School Meals - Check if You're Eligible - Message from East Sussex County Council**

Please [follow this link](#) to check whether your child may be eligible for free school meals.

*Considering the ongoing pressures associated with the rising cost of living, access to free school meals can provide valuable financial relief for families. It is important to note that even if a child does not take up the meal, a successful application still enables your school to receive additional funding through the pupil premium.*

### **Reminder - Food Hall, Topping Up Accounts**

Please note that if students do not have money in their dinner accounts they will not be served by staff in the Food Hall.

We would like to remind parents/carers of the following:

- dinner accounts can be topped up via ParentPay (if you are having difficulties accessing ParentPay, please email us at pcs-enquiries@swale.at)
- in your account settings a notification can be set up to alert you as to when your child's ParentPay account balance is low
- students with biometric (fingerprint) consent can check their account balance daily using our balance checker, located by our Student Support Desk at Reception
- students entitled to Free School Meals should budget their allowance across break and lunch (if their entire allowance is spent at morning break time, no more purchases can be made at lunch)
- if students' accounts cannot be topped up for the following day in order to make a purchase in the Food Hall, they should bring a packed lunch instead

If your child purchases their lunch from the Food Hall, please ensure their accounts are topped up the day before as balances in accounts do not update instantly.

Thank you for your support.

### **CACE Exploitation Parent/Carer Workshop - Message from ESCC Exploitation Team, Children's Services**

*We will be running a new Collaboration Against Child Exploitation parent/carers workshop in Peacehaven in November 2025.*

*The workshop is a 2.5 hour intensive look at all aspects of exploitation, including signs and indicators, social media and adolescent to parent violence.*

*Details as follows:*

**Monday 24th November, 1030am – 1pm**

**Address: The Joff Youth Centre, Roderick Avenue, Peacehaven, East Sussex, BN10 8BL**

*Parents/carers will have the opportunity to speak to keyworkers, parent mentor-volunteers with lived experience and find out about ongoing monthly support sessions. I have included a link to the recent film we made about the groups - [Collaboration Against Child Exploitation on Vimeo](#)*

*We always offer a hot drink and refreshments which is always a bonus too! The sessions are always super friendly, relaxed and non-judgmental.*

*Feedback from a previous evening group: "I was able to be open and honest with other parents and carers who are in the same situation. I was able to be honest with others who "get it" without any judgement just support. I've told the CACE support group things I've never even told my closest family and friends. The best part was never once feeling judged in anyway."*

### **Message from Brighton and Hove Albion Foundation**

*The PFA is linking up with Brighton and Hove Albion Women's first team to host our first See it, Achieve it event for girls ages 8 - 16 and particularly for young football fans from ethnicity diverse backgrounds.*

*The girls will get the chance to participate in football activities at the American Elite Football Performance Centre in Lancing where we aim to inspire young people and give them access to positive role models through hearing from current and ex players who will share their experiences.*

*We are also the largest provider of football opportunities for people with a disability in Sussex – giving people of all ages and abilities the chance to take part in fun and competitive sport. We host weekly invitation-only adult sessions in East and West Sussex for players who want to develop and improve their football in a high-performance environment.*

Please see the attached flyer.

### **FAO Parents/Carers with Children Entitled to Free School Meals - Message from The HAF Team, Children's Services**

*The Holiday Activities and Food (HAF) winter clubs are now open for booking. The Department for Education, who provide the HAF funding, require us to prioritise places at HAF-funded activities for young people in receipt of FSM.*

*We have some exciting activities on offer again this winter and bookings are available as set out below:*

- **Monday 3 November** for school-aged young people who receive benefits-related free school meals.
- **Monday 10 November** for wider eligible groups. Non-FSM bookings will be declined ahead of this date.

*Families can find out what's available and book a place on the HAF booking website.*

*This DfE funded programme offers a range of enriching activities for young people who receive means-tested free school meals (FSM). Parents can check if they qualify by reading the East Sussex County Council website Free school meals page.*

*All sessions include a balanced meal and are free to eligible young people. There is a great range of clubs spread across multiple venues in East Sussex. Activities include sport, art, theatre, forest school, animation, music, computer coding and crafts.*

**Top tips on How to Keep Your Child Healthy at School**

<https://educationhub.blog.gov.uk/2025/10/top-tips-how-child-healthy-school/>

**Wave Swim School - Message from Wave Active**

Please see the attached flyer.

**Knife Arch - Thursday 20 November**

Please see the attached letter from Mr Verniol, Assistant Headteacher.

**'Show Racism the Red Card - Thank You**

Thank you to all those students who contributed to the 'Show Racism the Red Card' bake sale. Alongside the money collected from the 'wear a red top day' donations we raised £312.04.

**Remembrance Day - Tuesday 11 November**

Poppies will be on sale for the last time on Tuesday 11 November (available at Reception). On Tuesday, PCS will be holding a **2 minute silence at 11am**. A group of PCS student representatives will be reading their own poems at the Peacehaven War Memorial at the Community Remembrance event - parents and carers are welcome to join the event.

### Messages from PCS Careers Team

#### **FAO Y10 Parents/Carers - Work Experience 2026**

On Wednesday 5 November all students had an assembly about Work Experience 2026. Please find attached the booklet that they were all given to bring home to share with you.

#### **FAO Year 11 Parents/Carers - Message from BHASVIC**

- *BHASVIC Open Evenings are on the 12th and 13th November from 4-8 pm*
- *We encourage those with additional learning needs or who struggle in large crowds may wish to attend in the quiet hour slot from 4-5 pm*
- *Express your interest in our Open Evenings to receive important information prior to the event by filling out a form on our website: [www.bhasvic.ac.uk](http://www.bhasvic.ac.uk)*
- *No registration or booking is required to attend our Open Evenings.*

#### **College Open Days List Sep 2025**

Please see the attached information.

#### **Post-16 Colleges & Open Events for 2026 Entry - Message from Get Career Confident**

Please see the attached flyer.

### Upcoming Key Dates

- **Wednesday 5-Tuesday 18 November** - Year 11 Mock Exam Season
- **Monday 10 November** - iCan Careers Fair (Selected students)
- **Friday 14 November** - SwaleBot Trust Event (Selected students)

### PCS Vacancies

Current vacancies at PCS are outlined below and can be found on [our website](https://www.swale.at/vacancies) (<https://www.swale.at/vacancies>).

**(NO CURRENT VACANCIES)**

7 November 2025

Dear PCS Families

We are writing to you today with an important update regarding our proactive measures to maintain a safe and secure environment for all students at Peacehaven Community School.

As part of a sustained commitment to student safety, Peacehaven Community School is actively collaborating with the East Sussex Police to educate and safeguard our young people from the risks associated with knife and weapon-related crimes.

As a measure within this initiative, a Knife Arch will be installed inside the school on **Thursday 20 November**, starting at **8.15am**.

- **Student procedure:** All students will be asked to walk through the arch.
- **Search protocol:** If the arch detects any potentially dangerous items, students may be subject to a bag search.

We want to be clear: there is no specific issue with knife crime at Peacehaven Community School. This measure is being introduced as an important preventive and educational step in light of recent national news and growing concerns across the country. We extend our sincere thanks to the East Sussex Police for their continued support in this vital work.

We also want to reassure you that we are aware that students with Special Educational Needs (SEND) may require a different experience when going through the Arch. Our SEND team will be on hand to provide the necessary support to these students.

The safety of our young people requires a strong partnership between schools, the police, and families. Parents and carers play a vital role in this effort by remaining aware and having open, honest conversations with their children about the dangers of carrying weapons.

It is critical for young people to understand the realities:

- **Severe Consequences:** Being found in possession of a knife is a serious crime with severe consequences, impacting future education, employment, and travel opportunities - and, most critically, posing a significant risk to life.
- **False Protection:** Some young people mistakenly believe carrying a weapon offers protection or enhances their status. The unfortunate reality is that they are statistically more likely to become victims of serious violence themselves.
- **Shared Responsibility:** Parents and carers should be mindful that girls may sometimes be pressured to carry or store weapons for others (e.g. boyfriends or male friends), believing they are less likely to be stopped. Possession of a knife or weapon is a crime, regardless of who it belongs to or the circumstances.

It is an offence to carry a knife in a public place (such as a road or in a school) or to carry any article which has a blade or is sharply pointed.

It is also an offence to carry an offensive weapon in a public place. This includes any article made, adapted or intended for causing injury eg: knuckle duster or bayonets, broken bottles.

- Carrying a knife includes: in your hand, a pocket, in the boot of your car or if someone else is carrying a knife for you.
- Exceptions include if you are carrying the knife as part of your job, such as a tool for a trade. However, forgetfulness, ignorance to the law or general self-defence are not reasonable excuses if you are caught carrying a knife.
- It is an offence to use any knife in a threatening way (even a legal knife).
- It is also an offence to sell a knife to anyone under 18. If you are concerned that your child has been sold a knife, you can contact the Citizens Advice Bureau to report the trader to Trading Standards.

### **Warning signs**

These signs don't always mean the worst is happening and could just be normal teenage Behaviour:

1. Have they become withdrawn from the family and/or school?
  2. Is their school or college reporting worrying changes in behaviour, academic achievement or attendance?
  3. Have they lost interest in positive activities such as sports clubs?
  4. Do they stay out unusually late without giving a reason and are vague about their whereabouts?
  5. Have they stopped seeing old friends and started hanging out with a new group?
  6. Are they secretive about the contents of their bag?
  7. Are they defensive if you ask what is in their possession or if they are hiding anything?
  8. Has their attitude changed about carrying knives/weapons? For example, justifying it by saying people carry them for self-defence?
  9. Have any items gone missing from the kitchen, toolbox or garage?
  10. Have you found a weapon hidden amongst their possessions?
- How to support your child if you are worried

For information from the Home Office about how to support your child if you have concerns regarding your child and knife crime, please see the attached leaflet.

Alternatively, please go to the following website:

<https://noknivesbetterlives.com/parents/having-the-conversation/>

Should you have any concerns regarding your child, please do not hesitate to contact the school and request to speak with a member of our Safeguarding Team (DSLs).

We truly appreciate the cooperation of parents and carers as we work together to educate and protect our young people.

Yours sincerely

*M Verniol*

# Work Experience

6<sup>th</sup>-10<sup>th</sup> July 2026

*"A strong careers programme is in place. This includes work experience, links with employers and timely advice. Pupils are well prepared for their next steps and for life in modern Britain"*

Ofsted report October 2023

## Work Experience A Guide for Students

### What is a work experience placement?

A placement with an employer in which a young person carries out a range of tasks in much the same way as an employee, with the emphasis on learning from the experience. Work experience provides opportunities for learning about the skills, behaviours, careers, roles and structures that exist within a workplace.

### How do you benefit from a work experience placement?

Work experience supports you to make career decisions, develop employability skills and support successful transition into FE, HE, apprenticeships and the workplace.

- **More confidence**
- **Improved self esteem**
- **Ability to communicate with adults**
- **Improved timekeeping**
- **Additional practical work skills**
- **Team working**
- **Problem Solving skills**
- **Time management and organisation**
- **Clarifies job roles within industry**
- **Broadens horizons in relation to career routes and job roles available**

### How to find a work experience placement?

Work experience can only take place from year 10 onwards. At PCS, Mrs Lane is our Work Experience Coordinator. You can talk to her about the different options to find a placement. She is available Tuesday - Friday and is based in the school Library.

### Before your work experience placement?

It is recommended that you arrange a pre-placement meeting before the placement starts. This will allow you to have a 'practice run' for the travel element, to see the business premises and meet with your contact so it is not so daunting on the first day. It will also provide a valuable opportunity to ask questions such as;

- **What time should you arrive and what time will you finish?**
- **Where to report to on the first day and to whom**
- **What are break/lunch arrangements – is there somewhere to buy lunch or should you bring a packed lunch?**
- **What is the dress code and do you need to provide any PPE (Personal protective equipment e.g. protective footwear)**
- **Do you need to bring anything extra with you?**

## Health and Safety

You need to take responsibility for your own Health and Safety and those around you. At the start of the work experience placement, you should receive an induction which as a minimum should include:

- **Tour of the working area/premises**
- **Fire procedures**
- **First aid arrangements**
- **Overview of expected tasks during the week**
- **Prohibited tasks and/or areas**
- **Requirements for personal protective equipment (PPE)**
- **Introduction to colleagues**
- **Confirmation of working hours and breaks**
- **Shown welfare facilities**

## Employer Expectations

Prior to the placement, it is a good idea for you to research your employer to gain a basic knowledge of the company in order to understand the possible expectations that the employer will have.

Employer expectations will also be discussed at the pre-placement meeting. However, you should be aware of the expectations that all employers will have;

- **Positive attitude**
- **Show interest**
- **Polite and friendly**
- **Ability to follow instructions/listening skills**
- **Hard working**
- **Punctual and reliable**
- **Appearance and hygiene – appropriately dressed.**

## Your Expectations

You may have a different expectation of what a placement will be like compared to reality. Therefore you should have realistic expectations. Age, lack of experience, lack of training, knowledge, skills and health and safety restrictions will limit some of the tasks that you can do.

Time will be spent observing colleagues especially in environments that are high risk such as building/construction, garages and engineering.

Routine tasks such as cleaning, tidying, filing etc will be done. A full working day will be undertaken in the majority of placements not 'school hours'

## Verbal and Non-verbal Communication

You should ask questions to show interest and be aware of negative and positive body language. Examples of positive body language are:

- **Making eye contact**
- **Sitting up straight**
- **Paying attention**
- **Relaxed posture**
- **Keeping hands out of pockets**

Examples of negative body language are:

- **Staring**
- **Slouching**
- **Yawning**
- **Crossed arms and legs**
- **Looking at your watch**

## Mobile Phones/Social Media

Use of mobile phones will not be allowed during the placement 'working hours'. You may be asked to place phones in bags or lockers or as a minimum phones should be turned off or placed on 'silent'.

Mobile phones are not permitted in childcare/school placements due to safeguarding procedures. Inappropriate content and use of social media whilst on placements may result in placements being terminated.

## Working Hours

Placements will take place between a Monday – Friday during term time. The maximum number of hours you can work will be 8 hours which would include a 1 hour break. You will be informed of the exact times of the placement by your employer. You will not be paid whilst on work experience, as it is an educational experience not employment.

## Absences

If you are going to be late for your placement then you should:

- Contact the employer.
- Apologise to say that you will be late and explain the reason.
- Provide an expected arrival time.
- If you are unable to attend the placement due to illness:
  - Contact the employer.
  - Explain reason for absence.
  - Provide an expected return date.
- You should also follow correct protocol for informing school of illness. Please ensure you call the absence line for each day of illness.

Tel: 01273 575832

## Placement Reflection

Work experience should be treated as a 'learning experience' and not just a week out of school. Therefore you need to reflect upon your placement to consolidate what you learnt and apply to your future career planning and goal setting. You should ask yourself;

- Did you enjoy the placement and was it beneficial?
- What new skills did you learn and develop?
- Do you now have an idea of what employers require from their employees?
- Has it given you a better idea of what career path you want to take?

If you didn't enjoy the experience this is also a positive thing! Now you can investigate other career paths which may be of interest.

**ABOVE ALL,** use the experience to help you make informed choices about your future

## Work Experience A Guide for Parents/Carers/And Guardians

### What is a work experience placement?

A placement with an employer in which a young person carries out a range of tasks in much the same way as an employee, with the emphasis on learning from the experience. Work experience provides opportunities for learning about the skills, behaviours, careers, roles and structures that exist within a workplace.

### How do students benefit from a Work Experience placement?

Work experience supports young people to make career decisions, develop employability skills and support successful transition into FE, HE, apprenticeships and the workplace.

- **More confidence**
- **Improved self esteem**
- **Ability to communicate with adults**
- **Improved timekeeping**
- **Additional practical work skills**
- **Team working**
- **Problem Solving skills**
- **Time management and organisation**
- **Clarifies job roles within industry**
- **Broadens horizons in relation to career routes and job roles available**

### What type of work can students do?

There are a wide variety of placements available and there are very few occupational placements that are prohibited to a student. In some cases legislation imposes restrictions on the type of work which students can do, these restrictions are designed to protect students from occupations unsuitable for them.

Due to a student's inexperience and age some tasks may only be completed under strict supervision or may, in exceptional circumstances, be observation only. The emphasis, however, is always on trying to provide an interesting and well balanced placement.

### How much are students paid whilst on Work Placements?

Students must not be paid whilst on Work Experience, as it is an educational experience not employment. However, employers may wish to make a contribution to expenses; e.g. fares and meals.

### What hours can a student work whilst on a Work Experience Placement?

Students should not work for more than 5 days in any consecutive seven day period and it is a requirement that students should not work more than a standard eight-hour day or forty hours in a week. They should not work excessively long hours or unnecessarily unsocial hours. The number of hours worked together with the pattern of work is normally a matter of agreement by the employer, school and student. Some industries work on shift basis or work evenings, please discuss this with employer and ensure travel arrangements suit later working. Students can work up until 10pm in these cases.

### Are there particular Health & Safety considerations?

All placements will be vetted by the ESCC work experience team prior to the student attending their work placement to ensure the Health, Safety and welfare of the student during the experience. The school will be provided with a copy of the placement assessment for the placement.

### How can Parents/Carers help?

Young people need to be motivated and determined in order to make the most of the opportunity that a Work Placement presents. Parents/Carers should encourage their Son/Daughter to think of the type of placement that they believe they would like to have. Discuss your sons/daughters interests, career

prospects or hobbies when deciding what type of placement would be more beneficial to them. On a practical level, Parents/Carers can help by making sure of the following:

- Knowing where your child will be going and what they will be doing
- What will your child's working hours be
- What the contact details are for your child's employer and also for the school.
- That your child contacts the employer before Work Experience is due to begin in order to confirm arrangements:
  - Exactly where to go on the first day
  - Lunch arrangements
  - Working times

Ensure that your child is prepared for the first day: Bus fares Appropriate clothing Packed lunch / lunch money How to get to the placement in plenty of time

In the run up to Work Experience your child should be reminded that the provision of Work Experience placements is entirely due to the goodwill and to the generosity of employers.

Professional  
Footballers'  
Association

FOUNDATION

# SEE IT. ACHIEVE IT.

The PFA is teaming up with Albion Women First Team to welcome girls aged 8-16 to join our See It. Achieve It. event - a day of football fun featuring professional players from the Women's Super League! This event is particularly open to young football fans from ethnically diverse backgrounds.

There'll be fun football activities led by professional coaches from the Brighton & Hove Albion Foundation, and the chance to meet and take part in a Q&A with Albion Women First Team players Madison Haley and Aisha Masaka.

**Tuesday 28th October 2025**  
**1-4pm**
