

Chelsea FC Soccer Schools are very pleased to announce that on Wednesday 30th July, we will be hosting our upcoming Girls Player Development Programme trials at Horsham Football Club.

It is very important to note that we have no intention of taking players away from any Grassroots Affiliation as we are a programme to help and support player development.

Our Player Development Trials provides players with the opportunity to showcase their skills and talent, with the potential to join our Player Development Programme at one of our local Sussex centres for the new season. Our Three-tiered programme is designed to support players alongside their grassroots clubs, providing an extra opportunity of learning in a safe and fun environment, developing new skills and techniques to improve their game.

It is very important to make sure using the following links down below that you book the participant to the 25-26 age groups. For example: if your child is currently playing a U9 (School Year 4), they will need to be booked on as a U10. Please see details down below:
