Dear PCS Families

FAO Year 7-9 Parents/Carers - Learning Beyond the Curriculum Week

Please see the attached letter and accompanying information booklet.

Ofsted Guidance for Parents

Ofsted have produced some guidance for parents to understand the new grading.

The GOV.UK page is [here](#) and it includes a 3-minute, helpful video titled *New Ofsted report cards and grades: a guide for parents*.

Reminder to Parents/Carers - School Parking

A polite reminder to parents/carers to please:

- park safely outside the school and not to wait in the disabled parking bays
- park in the old Co-Op car parks (as you are permitted to do so)
- **not** drop children off in Jason Close as this blocks the road for local residents
- **not** use the the service yard, which is clearly marked as authorised access only for the Meridian Centre (Morrisons), the Town Council, Butterfly Nursery and EMCOR

We have attached an image to highlight the areas where parking is available, and where it is not.

Thank you for your support.

FAO FSM Eligible Families

The winter holiday is approaching and [Holiday food and fun!](#) will be back!

This DfE funded programme offers a range of exciting activities for young people who receive benefits-related free school meals. Parents can check if they qualify by reading the East Sussex County Council website [Free school meals page](#).

All sessions include a healthy meal and are free to eligible young people. There is a great range of clubs spread across multiple venues in East Sussex. Activities include sport, art, theatre, forest school, animation, music, dance and circus skills.

Please see the attached flyer. You can book a place on the [HAF booking website](#).

PCS Cinema Night - Tuesday 16 December

Please see the attached poster!

PCS December 2025 Fundraising

Please see the attached letter.

Head Lice Advice

There has been a reported case of head lice which can easily spread with close contact - although they do not pose a serious risk, they can be uncomfortable and require prompt treatment with over the counter products available from pharmacies.

Please check or get your child to check their hair and scalp regularly for any signs of head lice: small white eggs (nits) attached to the hair shaft as well as live lice.

To prevent spreading head lice, encourage your child to avoid sharing personal items such as hats, combs, and hair accessories - regularly wash bedding and clothing in hot water.

FAO Year 11 Parents/Carers - Year 11 leavers' hoodies shop is now open!

Please use this link to order your hoody: <https://www.pcs.leavers-shop.co.uk/>

First deadline for bulk order: Monday 1 December for a pre-Christmas break delivery to school (Orders can be placed after this date, however the delivery will not be until we have another significant amount of orders, which means delivery to school will be a later date of February 2026).

Once hoodies have been received by students, they are permitted to wear them as part of the daily uniform. Students do not have to wear a shirt under their hoody, but must wear their PE/Dance top.

Community Offer - Message from Lewes FC

We play Crystal Palace in the third round of the FA Cup on Sunday, 14th December.

For that fixture, all school-aged children receive free entry, and accompanying parents can enjoy a 2-for-£15 ticket offer.

Link - https://buytickets.at/lewesfootballclub2/1964413?a=SCHOOLOFFER#ticket_selection

As part of the day, we'll also be continuing our long-running Equal FA Cup campaign, raising awareness about the need for equal prize money across the men's and women's competitions — something Lewes FC has championed nationally.

Alongside the match itself, there will be lots of fun activities for children and families, including opportunities to meet our players.
Please see the attached flyer.

PCS Winter Market 2025!

Our Winter Market is taking place today (Friday 12 December)! Please see the attached poster for details.

There will be some 'PCS Stalls' and proceeds will go toward our new School Fundraising Budget, helping us create more enriching experiences for our students.

This event is open to anyone in the local community and we hope to see you all there!
(Please note that some stalls will only be accepting cash as payment.)

Local Food Bank Appeal - Message from Peacehaven Youth Mayor, Deputy Youth Mayors

PCS are supporting the local food bank appeal once again this Christmas. The Student Leadership Team has decided that each House will collect donations.

Additional House points will be awarded to the House with the most donations. Collection boxes will be located in the school Library **from Monday 6 December until Thursday 11 December.**

Thank you for any support, however small.

Holiday Clubs - Message from All Abroad! Bus

All Abroad! Bus is running 2 days of holiday clubs before Christmas, on 22 & 23rd December, for children/young people in the 7 to 12 year old age group - or a bit older at our discretion.

We'll have children baking and feasting, making and playing, being active and enjoying some virtual travels with our 360 VR headset tours - all in the name of recreating Christmas markets abroad as best as we can from the comfort of the fabulous Mercread Youth Centre in Seaford!

A Unique Development Opportunity for Female Footballers - Message from ESFA Enterprises
Please see the attached flyer.

Dear PCS Families

Thank you to all of our students and families who have already donated so kindly to our Foodbank appeal. These donations will go to supporting the Peacehaven Community Christmas Supermarket appeal. We have extended our deadline and will be continuing to collect goods up until **Monday 15 December**.

To continue our school fundraising we are holding several events before Christmas.

On **Wednesday 17 December**, our Christmas lunch day, we would like to ask all students to wear a Christmas jumper. We are suggesting a donation of a minimum of **£1.00** to do so.

This is not a non-school uniform day - if students do not have a Christmas jumper, they can wear a green or red top (clothing must be sensible and not revealing). For those students without a Christmas jumper or a green or red top, but who would still like to donate, they are very welcome to do so. Proceeds raised will go towards school funds.

On **Thursday 18 December**, we will be holding our second PCS daytime **Winter Fair**. This was a hugely successful event last year and very well supported by all students. This has been planned by the Student Leaders. Each tutor group has been busy thinking up ideas for stalls and all students will have an opportunity to visit the stalls during the day. We would ask that students start to save their cash in preparation for the event as it will be cash only. Stalls will be offering items for sale/ games/ fun activities at prices ranging from between 20p to £1.00. With 40 stalls on offer we have reminded the students to start saving their pennies!

And lastly, please don't forget to join us for our community **Winter Market** taking place this evening from **4pm - 8.30pm**. It's going to be a fantastic event, with lots to see, eat, drink, buy and do!!

Many thanks for all of the support you continue to give to our fundraising ideas.

Dear Parent/Carer

RE: Learning Beyond The Curriculum week Monday 6 - Thursday 9 July 2026

We are very excited to be able to announce that after such positive feedback again last year, we are going to be holding our **THIRD PCS Learning Beyond the Curriculum week** for all of our KS3 students in July 2026.

Once again, the theme of the week is **wellbeing**. This will be a 4 day event this year due to Friday 10 July being an Inset Day. Over the course of the four days, students will have the opportunity to take part in activities that will support them to practise the five ways of wellbeing - Be active, Connect, Give, Take Notice, Learn Something New - as well as to enhance their personal development by learning outside of the classroom.

All KS3 students had an assembly last week to give them all of the information they need about the week. Hopefully they have already started to talk with you about the amazing array of activities on offer, the majority of which there is no cost for.

Attached is a digital copy of the information booklet to share with you. The FAQs on the back page should answer any questions you may have, but if you need clarity on anything, please contact pcs-enquiries@swale.at who will forward your email to the appropriate person.

Once your child has decided upon which activities they would like to sign up to, they need to complete the sign up, [Google Form](#) which can be found in this link. The link will also be available on their year group PDI Google Classroom. All instructions are on the form.

This week is compulsory for all students and we encourage them to think carefully about selecting a balance of activities to gain the most from the week. Please note, for any students signing up to Beach Volleyball they can only sign up once. We have given students a deadline of **Friday 19 December** to submit their choices. This is the last day of term.

Please note, we will not request payment from you for any activity until places have been confirmed. For some of the more expensive activities we can set up payment plans to spread the cost.

All payment plans will go onto ParentPay once the choices have been finalised and places confirmed.

Kind regards

J Turner

What Next?

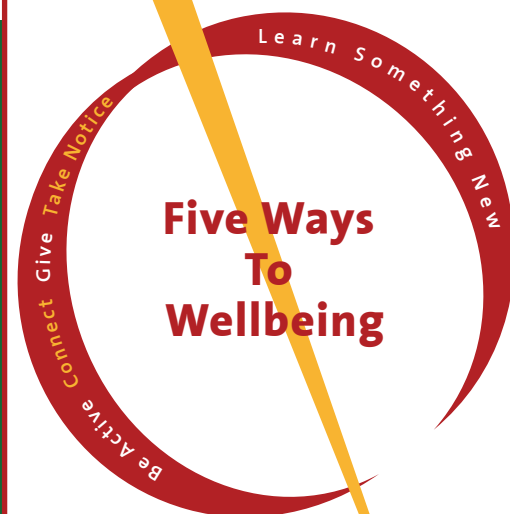

Each student will have a Google form in their PDI Google Classroom. Every student in years 7, 8 and 9 must fill this in.

Everybody will take part in activities this week.

Students who are going on a residential to Bude or Italy will have to indicate this on the form.

All other students are to complete the form following the instructions.

Whilst we will endeavour to provide students with their chosen activities, it is important that they indicate reserve choices in the event of activities being booked up.

Learn Something New!

Frequently Asked Questions

How many activities can I choose?

You need to be doing an activity every day. When you tick your choices on the Google Form make sure that you have looked at which day it is taking place. There is then the opportunity to try to do similar things with different friends. We can not promise, but we will try to make this happen.

Some activities take place across more than one day, please take care to read the booklet properly so that you can map out your week.

What if there are not enough spaces for what I would like to do?

We will try to make sure everybody can take part in the activities they have chosen. We have indicated how many spaces there are for each activity this year. We do ask that you put 3 reserve choices down in case some activities prove to be very popular.

I would like some financial support with paying for an activity, how do I know if I am eligible and how do I request a reduction?

Please ask your parent/carer to contact the school by email:

pcs-enquiries@swale.at

who will be able to refer you to the appropriate person for advice.

What are the timings of the day?

All of the activities take place during the school day. Exact timings will be shared with you once you have confirmation of your activities.

What will I need to wear?

For all onsite activities, students will be asked to come in in their PE kit.

For all other activities, suggestions will be made once you have confirmation of your activities. (You will not be expected to wear your school uniform!)

What will happen about lunch?

You will have a lunch break as normal if you take part in activities in school.

For those activities off site, we will advise on a packed lunch. For those students in receipt of Free School Meals who are off site, we will provide a packed lunch if required.

Will I need any extra money?

That is your own decision, if you have chosen an activity in Brighton, with bus travel, you will need to pay for travel. If you are in school, you will not need any extra money.

If you have paid for coach travel to an activity, you might wish to bring some money for souvenirs.

When is the deadline to make choices?

The deadline to make choices is **Friday 19th December**

When will I find out if I have been accepted on to an activity that needs payment if I don't yet know?

Once we have received all of the choices we will then set up parent pay accordingly. You will receive an email letting you know if and when parent pay has been set up for you.

When will I find out what I will be doing if I am doing my activities in school?

All choices and a full programme of events will be shared with students in term 4.

What will be the end product of our Learning beyond The Classroom Week?

We shall be creating a showcase of experiences to share with our local community.

Elf - PG

Synopsis:

Raised as an oversized elf, Buddy travels from the North Pole to New York City to meet his biological father, Walter Hobbs, who doesn't know he exists and is in desperate need of some Christmas spirit. Buddy was a baby in an orphanage who stowed away in Santa's sack and ended up at the North Pole. Later, as an adult who happened to be raised by elves, Santa allows him to go to New York City to find his birth father, Walter Hobbs. He, who is on Santa's naughty list for being a heartless jerk, had no idea that Buddy was even born.
