Year 8

Ho,ho,ho...merry Christmas

Well done

We have made it to the end of another term at PCS. It has been my first full term as Pastoral Lead for Year 8, and it has been fantastic getting to know lots of you and seeing focused, productive and meaningful learning occurring in your classes. I am blown away by the amount and diversity of talent in the year group, ranging from academic prowess to sporting superstars.

So far this year

Remembrance

Student Leadership

I am astonished by the amount of contribution this year group dedicates towards the school community, and will continue to strongly encourage this. Our year group has a very large representation at student council, students have given up their own time to participate in discussions around school improvement, including suggestions on making our school environment eco-friendly. It's been great to see students carry on these discussions outside of the student council sessions and be so passionate about this pressing issue.

Snow Queen

Many of our Year 8's participated in the stunning school show the 'Snow Queen'. Lots of Year 8's gave up a massive amount of their time to help put this performance on, and it really showed, as it was excellent!

Great attendance to after school clubs!

We have such a variety of afterschool activities at PCS and it is wonderful to see so many Year 8's involved in these. Many have been developing their creative writing skills with Mr Myson at his weekly creative writing club, whilst others have been improving their chess skills at the chess club. I would like to encourage students to revisit the array of afterschool activities on offer and set themselves a challenge of attending one in the new year!

Sports Legends

We have some incredibly talented sports people in year 8 who have been representing the school in a variety of sports. Each time they return from an away fixture, I receive communication from the staff that took them there or the school they visited to tell me how fantastically polite, kind and sporting they are. Well done!

Before we celebrate! Whole year focus in September.
Remember we are a team..

Two of the worse things you could do in any
job are...

Turning up late (or worse, not turning up)

And

Turning up unprepared/without the tools you
