Shouts-Outs

Merry
Christmas

Merry Christmas to all the Year 11's and specially to my Geographers.....

You are simply one of the most amazing group of students I have ever taught....

In the words of the immortal Bob Dylan '....may your wishes all come true, may you have a strong foundationbut may you stay forever young'

The following students need a special mention as they are showing all of us that there are no ceiling to what we can achieve. They are smashing their target grades :

**Ben K , Lukas S, Summer T, Seb W, Yara A, Amelia B, Sasha B,
Luca G, Holly K , Kieron L,
Mr B. Loggenberg**

Happy Christmas to 11A7 English!

You're a fab group and have been working really hard at the start of this academic year. Have a good rest now.

Perhaps this is a good moment to defer to our friend Ebenezer Scrooge, who says: "I will honour Christmas in my heart, and try to keep it all the year. I will live in the Past, the Present, and the Future. The Spirits of all Three shall strive within me. I will not shut out the lessons that they teach!"

Special well done to Aaliyah, Prev and Kara for your hard work.

**All the best,
Mr Myson**

get on with it and progress an
amazing amount.

Have a great christmas break and
we will see you in the new year.

The PE department

VCERT

Well done to all this term in VCERT. Congratulations for finishing your synoptic project, that was 3 days of grueling work.

Have a great christmas break and we will see you in the new year.

Mr Clarke, Mr Burns and Mr Woods

Mr Daintree - 11B3 maths

11B3, always splendid.

With CC sitting in front of me it helps to be not so easily offended. HC hiding the things in her ears, tangled in hair. Blazers some of you don't want to wear. One or two 4s in the mocks, more to come. But Christmas is here, all festive and cheer. Worry about grades when we're back in New Year.

Santa is coming. If you ask right, a Casio calculator might be supplied. Investing a small price of £12.99 for a GCSE's with you the rest of your life...

Mr Daintree - 11A1 maths

11A1, I think we have fun*.

Top of the charts for the homework you've done.

Mathematicians, (reluctant) statisticians,
you'd make wonderful acousticians.

One or two touching grade 8s already, hold it steady, in summer
you're ready. 8s are fine, aim for a nine (8s are great, it's just
poetic license to rhyme).

Santa is coming. If you ask right, a Casio calculator might be
supplied. Investing a small price of £12.99 for a GCSE's with you
the rest of your life...

*I have fun!

11X History Mr. Meyer

Have a Holly Jolly Christmas to all the historians in 11X. You have all been absolutely phenomenal this term! All of you deserve a shout outs!

A particular thank

11A4

Just for future reference, it's not exactly appropriate to ask me to do fun lessons for Christmas..... in October!

Only joking of course. It's been an absolute delight teaching you all again this year. You should all be proud of what you've achieved. Have a fantastic holiday, just try and do a little bit of revision.

Merry Christmas and a Happy New Year!

From Mr Southgate
