# Mr Southgate's 10A4 Maths Class

I'm so proud of you all (even you JP and Leona). You have worked so hard this year, that's all we can ask of you, so well done!

I never thought that Taige would ever say "That makes perfect sense!", but he did. Dylan "The Sparx Master", what an amazing effort by you. I think you got more XP points than the rest of the school put together (well almost). I could mention you all individually with my usual charm and wit, but there's not enough room. So I will just say, it's been fun this year and keep up the good work.

Have an amazing Summer and I look forward to seeing you soon..... just not too soon!

Take care

It has been an utter joy to teach you this year. You have wholeheartedly embraced and risen to the challenge of GCSE English and I could not be prouder of all the progress you have made.

Every single one of you should be incredibly proud of the knowledge you have gained of our key texts and of the way in which you can now analyse these.

You are an inquisitive, funny, thoughtful and hard working class and I am so excited to teach you again next year. I tried to start naming particularly impressive students but it turns out you're all excellent.

Have fantastic and well deserved restful summers!
