This has been a very hard decision for us as there are so many of you that ALWAYS do the right thing.

You have shown resilience in the tutor group, you are always polite, respectful and in full uniform with all your equipment.

Congratulations!

Yarik is an outstanding member of our school community!

He consistently demonstrates excellent attendance, behaviour and punctuality.

Well done you massive legend!

Mr Cresswell

8T4 - Miss Wild (The actual best group...)

With such a wonderful tutor group this is a very tough decision! But this person has contributed so much to the school community this year, getting involved whilst also remaining on top of their academic work and being a great friend. They always have a smile and a helping hand to offer. Even if they do only ever guess foods as the answer for Contexto...

I wish I could award this to more than one person....it has been a difficult decision,,,, but congratulations

8T5

Throughout the year Scarlett has always been on time. Has demonstrated a constant readiness for learning with all her equipment and has shown positivity and respect not only in PDI but around the school, with "Good Mornings", "Thank yous" and a general sense of community and respect to all
