

PEACEHAVEN COMMUNITY SCHOOL

Name: Thomas Clark
Attended PCS: 2010 - 2015

Career/Life Journey since leaving PCS:

From PCS I attended Lewes Sussex Downs to study Performing Arts Btec and Musical Theatre Btec achieving Distinction stars in both. I then went on to East 15 to study World performance.

At East 15 I was offered the opportunity to work with Disney on Artemis Fowl. On this project I started as an extra and worked my way up to do stand in work. I am now making my own short film and have recently been part of my first film festival.

Employability Skills:

Hard working
Time management
Confidence
Flexible

Future Career Aspirations:

With the films I am currently working on I'm looking to start winning awards at festivals and ultimately start aiming higher for awards such as Oscar's/BAFTAS AND SAG awards.

Career Advice:

A job is only a job. Don't let it stop you from your career dreams. I have been in and out of countless jobs because I have wanted to take the opportunities in front of me and make the most of them. Now is the time for trial and error not commitment.
