

PEACEHAVEN COMMUNITY SCHOOL

Name: Charlie Dey

Attended PCS: 2015-2020

Career/Life Journey since leaving PCS:

I left PCS in 2020 during covid, and I spent most of my first year at college on zoom, which as you can imagine ballet in your living room isn't ideal!

I graduated ICTheatre after 2 years on their Extended Diploma with a Distinction in Musical Theatre, while also training endless hours at Norcross Dance Centre & Brighton Theatre Group.

I then left to train at Italia Conti in 2022 (also known as 'School for Stars') in their newly built studios in Guildford. In September I will be moving to Central London to start my professional training at the prestigious Urdang Academy.

Future Career Aspirations:

To be a leading lady in the West End!

Career Advice:

It is so important, especially in the career that I do, to never compare yourself to anybody else and ALWAYS be yourself. Everyone is SO different and unique in their own way, find something that makes you stand out from everyone else!
