

How to download Blackout (Android)

1. Go to **www.blackout-technologies.com**, scroll down and click 'Get it on Google Play'
2. Once downloaded, read and accept the terms and conditions
3. Enter the auth code - you can find this in your school email!
4. Accept permissions (Notifications, Overlay, VPN, Usage, Do not disturb, Battery Usage)

***If you have parental controls, you may be asked to enter a password to complete these steps. If you are unable to download Blackout, please email the school.**

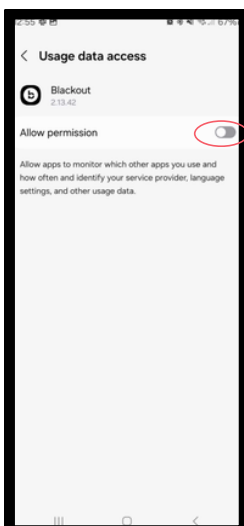

How to check permissions (Android)

All app permissions:

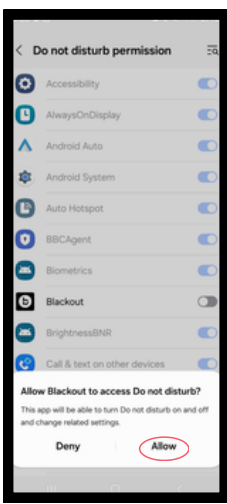

1. Settings → Apps → Blackout
2. Check all permissions are granted

Individual permissions:

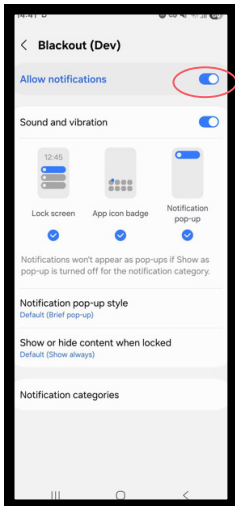

Usage Settings:

1. Settings → Apps → Special app access
2. Select 'Usage data access'
3. Ensure Blackout is enabled

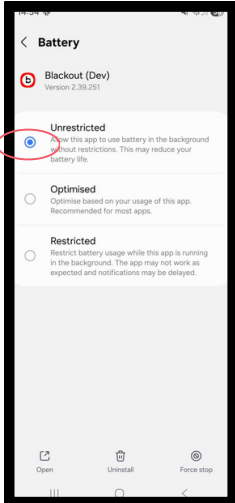

Do not disturb:

1. Settings → Apps → Special app access
2. Select 'Do not disturb access'
3. Ensure Blackout is enabled

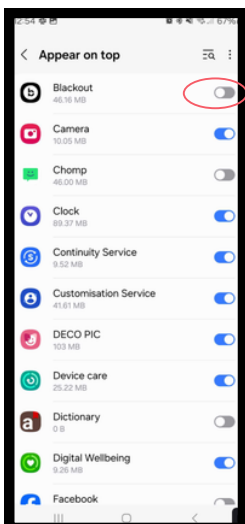

Notifications:

1. Settings → Apps → Blackout
2. Ensure notifications are enabled

Battery Usage:

1. Settings → Apps → Blackout
2. Ensure Battery is 'Unrestricted'

Overlay Settings:

1. Settings → Apps → Special app access
2. Select 'Display over other apps' / 'Appear on top'
3. Ensure Blackout is enabled
